

LOCAL INTELLIGENCE.

WEDNESDAY EVENING JULY 25 1894.

Sun rises to-morrow at 4:52; and sets 7:08. High water 1.31 a. m. and 1.38 p. m.

WEATHER PROBABILITIES.—For this section generally fair, although showers are likely to occur this evening; southwestly winds.

FIRE AND LOSS OF LIFE.—George W. Knox's big warehouse and stables, at S. and B. streets northwest, Washington, occupying a half block, were destroyed by fire at 2:20 o'clock this morning. The loss will probably reach \$250,000. 205 horses, which were on the second and third floors of the big four-story stables, were burned. There was no way by which they could be taken out. Nothing was saved from the Knox building. All of his heavy transfer wagons, 30 or more, were destroyed. The Adams Express Company stables, adjoining the Knox building on the west, were also burned. Over 150 horses that were in the stable on the first floor were safely taken out. Three firemen lost their lives—Samuel E. Mastin, Michael Fenton and Dennis Donohue—and four were badly injured. There were several minor accidents where slight wounds were received by some who ventured too near the burning buildings. Eight two-story houses on the alley, north of the Knox building, and two small frame houses back of the Adams stables, were also destroyed. Six or eight other residence houses were more or less damaged. As the fire raged it became hotter and hotter. Persons could not pass on B. or Second street for the intense heat. The firemen were obliged to wet each other repeatedly before they could approach within working distance of the buildings. The men who had to hold lines of hose on the B. street front of the Knox building were obliged to lie flat on their stomachs, so awful was the heat. Shortly before 3 o'clock a. m. the most terrible incident of the fire occurred. The firemen had carried their hose into the burning warehouse through one of the large rear doors. This door was held up by weighted ropes and the men had just entered the building when the ropes burned through and the heavy wooden door fell, piling them in. The work of cutting through the door was immediately begun and was all but finished when the floors above fell with a crash. The immense weight burst out the door and crushed Mastin and Fenton to death. Three others were with difficulty dragged out of the debris alive. In about five minutes the portion of the outside wall immediately over the door gave way, filling the wide alley, but injuring no one. The massive iron girder over the door held, leaving the door almost clear. In this clearing, lying on his face, his head and right arm exposed, lay Assistant Foreman Mastin. A twelve inch beam lying across his shoulders had crushed out his life and now held him pinned to the ground. Shortly before 11 o'clock to-day the bodies of firemen Michael Fenton and Dennis Donohue were found. They were lying near the place where the remains of Mastin were discovered. It was a pitiful sight to see Donohue with his body thrown across that of Fenton and his hand still firmly grasping the nozzle of the hose which he had been using when the door fell. Fenton's body was burned beyond recognition and was identified by the alarm box key found in his pocket. All firemen are now accounted for but it is thought that one of the Knox employees is still in the ruins. Mr. John O. Knox, one of the owners of the building, was thrown from his buggy this morning while on his way to the fire and severely injured. A portion of the Knox Building was used as a storage warehouse, and all articles therein were destroyed. The Knox brothers were insured for \$75,000. Mr. Crawford Crook, formerly of this city, lost a quantity of furniture he had stowed in the building. The light from the fire could be seen in this city, and the Alexandria firemen expected every moment to be called on to aid in distinguishing the flames.

THE ELECTRIC RAILWAY.—Senator Hunt yesterday submitted a petition from citizens of Alexandria and Fairfax counties urging the passage of the bill to authorize the Mount Vernon Electric Railway to extend its line into the District of Columbia. The petition says: "This charter will enable us to construct an electric railway from Washington and adjoining villages to the fullest possible development of our beautiful suburbs of the national capital through direct, rapid, cheap and frequent intercourse therewith."

It is thought more than likely that the electric railway will be permitted to take its cars over a ferry along the Long bridge and run along Fourteenth street south to Pennsylvania avenue, opposite Willard's, and also along B. street to the Centre market, Washington. The work of extending the tracks of the road upon King street to the city line is being rapidly pushed and will soon be completed.

POLICE COURT.—Justice Thompson presiding. The following cases were disposed of this morning: William James, colored, arrested by Officers Sherwood and Arrington for disorderly conduct and for interfering with an officer in discharge of his duty, was fined \$2.50.

A cow taken up in the streets by Officer Price was released upon the owner paying the cost of driving it to the station house.

Lizzie Jackson, colored charged with assaulting Garfield Tate, colored, was dismissed, the complainant failing to appear.

A Washingtonian, who had been arrested for drunkenness in the street, was dismissed, after sleeping off his debauch.

Night Report.—Last night was clear and mild until about 2 o'clock, when it became cloudy. One prisoner was held at the station house.

THE B. & O. DEPOT.—The plans for the depot and warehouse of the B. & O. R. R. to be erected on the lot on the river front between Wolfe and Duke streets, recently purchased by that company from the Haskin Wood Vulcanizing Company, have been completed and the work of building will soon be commenced. The plans are to be submitted to a special meeting of Council which it is said will be called at an early date, and that body will be asked to allow the railroad company to make connection with the tracks to be laid on their property with the tracks now laid on Union street.

Five members of the chain gang made their escape yesterday.

PERSONAL.—Mrs. G. H. Norton has gone to Fauquier county to spend the summer.

Mr. J. T. Burke has taken the residence of Rev. K. Nelson, on Seminary Hill, and will spend the summer there.

Mr. Frank Church and family who have been camping at Riverside Park have returned to their home in this city.

Mrs. J. D. Hooe and her sister, Miss Florence Herbert, will leave here this evening for the Sweet Chalybeate Springs.

Mr. James W. Simpson is quite ill at his home on Patrick street.

Mr. Charles E. C. Moore, of this city, with the firm of Emmett & Heisley, builders, of Washington, left this afternoon for upper Fauquier, to spend several months with his aunt, Mrs. John W. Hurst.

Miss Mai Shuman, Miss Katie Myer and Miss Julia Lindsey, of this city, are spending the summer at Hamilton, Va.

Miss Nellie M. Shea, of Baltimore, is visiting Miss Dora L. Lannon.

LICENSE ON EXPRESS COMPANIES.—At the last meeting of the City Council the revenue law was amended so as to levy a license tax on telegraph companies. During the debate it was stated that the license on express companies in this city had not been paid for some time and a doubt was expressed by some as to whether such license could be collected. Some of the members declared that the license was just and should be collected. In reference to that matter City Auditor Price wrote to Richmond, Norfolk and Charlottesville asking if the express companies paid licenses in those cities and has received replies stating that such companies were assessed and paid the assessment. In Charlottesville the license tax was formerly \$120 (which was paid) but this year it was increased to \$150. There is no reason why a license tax cannot be assessed and collected on telegraph and express companies in this city.

GOOD TEMPLARS.—At the regular meeting of Golden Light Lodge last night considerable routine business was transacted and the officers for the ensuing quarter nominated. The young ladies of the lodge will fill the offices for the next three months. After the transaction of business the ladies entertained the lodge and their friends who had gathered, with a delightful programme.

Golden Light Lodge will give an excursion to Colonial Beach about the middle of next month.

The Grand Lodge will meet in Staunton the first week of September, to which delegates from the two lodges in this city have been nominated.

The District Lodge meets at Ballston, Alexandria county, August 15.

THE DANCING CONTEST which was announced to take place at Riverside Park to-night, 25th, between Professor Kaplan and the winner of the contest of last week, has been postponed until further notice.

THE PENNSYLVANIA RAILROAD will run special trains, composed of coaches and Pullman cars, through to Niagara Falls on July 26, August 4 and 23, September 1 and 27, leaving Baltimore and Potomac station at 7 a. m., arriving at Niagara Falls at 11 p. m. Tickets will be sold at rate of \$10 from Washington, valid for passage going out and return on any regular train within ten days, allowing stopover at Watkins and Rochester in either direction, and good to return via Buffalo with stopover at that point, within limit. For further information apply to Robert A. Parko, P. A. & E. D., or to ticket agents.

Two Lives Saved.—Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, of 139 Florida street, San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at E. S. Leachester & Sons' Drug Store. Regular size 50c and \$1.

LOCAL BREVITIES.

The Sunday School of Grace Church went on an excursion to River View to-day.

Mr. Ernest Boyer was kicked on the leg yesterday morning by a horse in a stable on Columbus street and quite painfully injured.

About 100 members of the Epworth League, of Leesburg, arrived here this morning and went on an excursion to Mt. Vernon over the electric railway.

At the meeting last night of Sarepta Lodge, I. O. O. F., one candidate was initiated and two applications for membership were received. R. Robey was elected captain of the degree staff.

The congregation of Roberts Chapel, the colored Methodist church on south Washington street, has given the contract for enlarging and improving that church to Messrs. Thos. Nelson, Clark and Harris.

At the meeting last night of Rathbone Division, U. R. K. of P., it was decided to hold regular drills so that the rank could make a creditable showing in the grand parade of Pythians to be held in Washington next month.

A man named Elias Petty, living on south Henry street, opposite the railroad house, was yesterday arrested on a charge of larceny from a laundry late yesterday evening. It was a long time before the services of a physician could be procured, but Dr. Purvis was finally found and he went to the would-be suicide's relief and succeeded in getting him out of danger.

The corner stone of the new home of Naval Lodge, No. 4, A. F. and A. M., of the District of Columbia, was laid yesterday evening at the corner of Fourth street and Pennsylvania avenue southeast, with appropriate ceremonies.

Complaints are still being made at the station house against ball throwing in the streets. The police have been instructed to arrest all caught at it in the future.

THIS LAST WEEK OF OUR SEMI-ANNUAL CLEARING SALE

Before Stock-Taking Will Be Augmented by a Four-day

REMNANT SALE, WHICH BEGAN TO-DAY.

The next few days will be exceedingly profitable to all who take advantage of the very low prices that will prevail on seasonable goods for personal and household uses. During our midsummer clearing sale reductions have been general and on large lots. This will continue all the week. The end in view—which is to get the stocks down to a minimum by Saturday, July 28, inventory day—stimulates still further reductions. These you'll find in all departments. To still further our object we have marked all remnants—broken and scattered lots, odds and ends, broken sizes, short lengths, &c.—at

Unusually Low Prices.

The unusually brisk trade of the past week caused by the stock-taking clearance sale has left us with stacks of remainders, small lots, odd sizes, broken assortments, things mused, soiled, or chipped from handling, &c. We are naturally doubly anxious to close out all such goods this week, as we take inventory of stock next Saturday, so they bear prices that are wonderfully low. Look for REMNANTS at any department, and you'll not be disappointed. We haven't space to give you a detailed description of all the bargains, but there are hundreds on the center tables.
